

## CREATING A SIMPLE WILL USING AN ONLINE WEBSITE

If you wish to create a simple Will, go to a computer that has access to the internet. Type in the website below. Once you have entered onto the website, click "proceed". You will be asked to agree to its terms and if you do, click the box by "I agree" and then click on "continue". You will then be taken to the first screen and after you answer each question, click "continue". Once you have answered all of the questions, you will then be able to click on the "get document" button. It will then create your document. You should print out the document and follow the instructions for signing and/or notarization. Here is the website to begin creating the document:
